### **CHARIS SEMINAR LOGOS ONLINE**

#### **How to prepare and present a preaching of the Word of God**

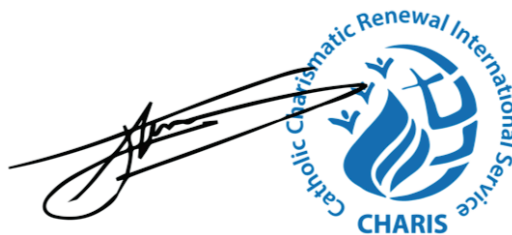

Next August we will begin the pre-registration of the first seminar organized by CHARIS to be held online, addressed to all of those who dedicate themselves to the exercise of the ministry of the Word or feel the need to prepare themselves to proclaim the Word of God with the power of the Holy Spirit and with parresia, since preaching is God's chosen means for the salvation of believers (cf. 1 Cor 1:21).

This is a 12-hour online seminar in several languages.

Reserve your place as soon as possible in the language of your choice: the number of participants is limited.

Visit our website: [www.charis.international](http://www.charis.international) where you will find further information and the pre-registration form.

We are waiting for you,
